

# Weekly Report

Yuxin Ma

10.07.2015 - 10.11.2015

Besides writing the survey paper, this week I mainly focused on the Huawei project.

## Projects

### Huawei Project

- Source codes and documents are migrated to Coding.net.
- The backend framework has been implemented.

### Plan fo the Next Week

- Write a draft for the submission of IEEE BigData SI.
- For Huawei project: implement the data backend.
